

## MAKING THE RIGHT CHOICES

Death Row Prisoners announce the publication of the book *Today's Choices Affect Tomorrow's Dreams*. The book contains approximately 100 essays on the choices prisoners made that brought them to where they are today. It will be sent to young people in juvenile detention facilities throughout the United States without charge. It is hoped that through these pages they will be able to learn the importance of making good decisions in their lives.

Copies of the book may be ordered through Compassion for \$17.95 plus \$3.00 postage and handling. For every book ordered two can be sent without cost to facilities working with at risk youth.
